

50<sup>TH</sup> ANNIVERSARY  
*Celebration*

MAY 30, 2026

**AT:**  
Starlight Event Center

Join us in celebrating the  
legacy of Lucy G. Acosta.

Since 1976, Amistad staff and community partners have helped the elderly, persons-at-risk, and persons with disabilities lead rewarding lives. We are advocates and service providers for the most vulnerable members of our community, always mindful that each client deserves to be treated with respect and dignity.

This year, we are revisiting our roots. As we honor the legacy of our founder, Lucy G. Acosta, it felt like the perfect opportunity to honor the LULAC Councils who helped establish the agency 50 years ago. Their dedication to the advancement of our community has been nothing short of extraordinary. As we continue to live through our Mission, Amistad is grateful for those who came before us and looks forward to celebrating the future.
